BAR: 2006: Overall

[Overall](#) | [Criterium](#) | [Cyclocross](#) | [Mountain Bike](#) | [Road](#) | [Team](#) | [Time Trial](#) | [Track](#)

Archives: [2005](#) | [2004](#) | [2003](#) | [2002](#) | [2001](#)

Oregon Best All-Around Rider (BAR) a year-round, multi-discipline competition. We maintain six separate rankings, one each for Road, Track, Criterium, Time Trial, Cyclocross and Mountain Bike. This way you can see how you perform in any separate one. Points are given out to the top 15 in each class - 30, 25, 22, 19, 17, 15, 13, 11, 9, 7, 5, 4, 3, 2, 1. State Championships are worth double points. National caliber races (Cascade, Mt Hood, AVC) are worth triple points.

The points are tallied and then the riders are ranked in order of points in each discipline. At that time a ranking number is assigned from 300, 299, 298, 297 etc. This way no one discipline gets more weight than any other. These ranking numbers are then added and a score is given. This also means that as riders move up or down in the rankings that their points can actually decrease.

A rider who has points in more than 4 disciplines get a bonus 50 points for each discipline over 4. This means that there is a total 1200 points possible with a possible additional bonus of 100. Riders must compete in 4 disciplines in order to qualify for the end of the year trophies.

The Team BAR is the sum of the accrued points before rankings.
